

Aura AOP-GSKT High-Temp Replacement Gasket for Large Kamados

QUICK BUYER GUIDE

Owners of large Kamado grills needing restored temperature control

At a Glance Specs

MATERIAL

High temp felt material

ADHESIVE

Built-in peel and stick adhesive

COMPATIBILITY

Fits Big Green Egg and similar

COVERAGE

Top bottom and vent gaskets

PACKAGE PER GRILL

One package per large grill

DURABILITY

Longer lasting than stock gasket

PHYSICAL SIZE

7 by 6 by 1 inches

Who It Is For

-  Owners of large Big Green Egg grills
-  Kamado Joe and similar kamado owners
-  Users needing improved temperature stability
-  People who prefer peel-and-stick installation

Who It Is Not For

-  Owners of extra-large (XL) kamados without buying two
-  Users with small or mini kamados
-  Those preferring factory OEM branded gaskets
-  Buyers who avoid aftermarket adhesives

Trade Offs to Consider

-  Designed for Large sizes not XL
-  Peel-and-stick adhesive tends to be permanent
-  Material is felt not silicone or rope
-  Available only in gray color

Users Say

● POSITIVES

- ✓ Restores temperature control and stability
- ✓ Improves charcoal fuel efficiency
- ✓ Includes peel-and-stick adhesive and instructions

● COMPLAINTS

- ⚠ XL grills require two packages
- ⚠ Gray color may be visible on some grills
- ⚠ Aftermarket part not OEM branded

How It Compares

- Aftermarket replacement versus OEM branded gaskets
- Includes built-in adhesive unlike some kits
- Covers top bottom and vent for Large grills

Choose This If...

- ✓ You own a large Kamado grill
- ✓ You want simpler peel-and-stick installation
- ✓ You need to restore temperature control and efficiency

Skip This If...

- ✗ You have an XL kamado and want one package
- ✗ You need an OEM factory replacement
- ✗ You require a different color or material
