## Who It Is For

---

- ✓ Owners of Blaze 20-inch kamado grills
- ✓ People who transport grills for tailgating
- ✓ Buyers needing rust-resistant steel handles
- ✓ Users comfortable with basic assembly

## Who It Is Not For

---

- ✗ Owners of non-Blaze or different-size grills
- ✗ People seeking insulated or soft-grip handles
- ✗ Shoppers who need a full lid replacement
- ✗ Buyers avoiding any assembly work

## Trade Offs to Consider

---

- Stainless steel resists corrosion but conducts heat
- Fits only Blaze 20-inch kamado models
- Designed for two-person carry not single-handed use
- Requires minor assembly and mounting hardware

## Users Say

---

### ● POSITIVES

- ✓ Average rating 4.8 across 10 reviews
- ✓ Two-handle set supports portable use

### ● COMPLAINTS

- ⚠ Small number of total reviews limits feedback
- ⚠ Stainless finish offers no thermal insulation

## How It Compares

---

- Versus universal handles this is model-specific OEM fit
- Versus insulated grips this is bare stainless steel
- Versus lid replacements this is handle-only hardware

## Choose This If...

---

- ✓ You own a Blaze 20-inch kamado grill
- ✓ You need durable rust-resistant replacement handles
- ✓ You move your grill for tailgating or camping

## Skip This If...

---

- ✗ You own a different grill brand or size
- ✗ You want insulated or soft-touch handles
- ✗ You need a full lid or hinge replacement
