## Who It Is For

---

- ✓ Hosts cooking for large groups
- ✓ Want charcoal flavor and gas speed
- ✓ Need independently controlled cooking zones
- ✓ Want both grate and flat griddle

## Who It Is Not For

---

- ✗ Apartment or indoor cooking only
- ✗ Travel campers needing lightweight grill
- ✗ Buyers unwilling to assemble large unit
- ✗ Need a compact tabletop grill

## Trade Offs to Consider

---

- Large footprint limits tight patios
- Dual-fuel requires separate fuel management
- Full assembly required after delivery
- Cast iron grates need ongoing care

## Users Say

### ● POSITIVES

- ✓ Large 678 square inch cooking surface
- ✓ Dual fuel offers gas convenience and charcoal flavor
- ✓ Slide-out ash tray simplifies charcoal cleanup

### ● COMPLAINTS

- ⚠ Requires time and effort to assemble
- ⚠ Heavy to lift despite wheels
- ⚠ Assembly instructions may be unclear

## How It Compares

- Versus gas-only: adds charcoal flavor option
- Versus charcoal-only: gains quick gas ignition
- Versus portable grills: larger and heavier setup

## Choose This If...

- ✓ You want both gas and charcoal cooking
- ✓ You regularly cook for gatherings or parties
- ✓ You accept assembly and outdoor space needs

## Skip This If...

- × You need a compact lightweight travel grill
- × You refuse to assemble or move heavy equipment
- × You only want a single-fuel simple grill
