ASSEMBLY
Assembly required by user

Who It Is For

- ✓ Home cooks who grill for large groups
- ✓ Families that host regular backyard gatherings
- ✓ Users who want multi-burner heat control

Who It Is Not For

- ✗ Small balcony or apartment residents
- ✗ Buyers needing a compact portable grill
- ✗ Shoppers who require built-in grill installation

Trade Offs to Consider

- Large footprint needs clear outdoor space
- Approximately 100 lb unit limits frequent moving
- Rotisserie accessories are sold separately

Users Say

● POSITIVES

- ✓ Large 665 sq in cooking area
- ✓ Individual burner control for flexible cooking
- ✓ Porcelain-enameled cast iron grates for even heat

● COMPLAINTS

- ⚠ Requires assembly after delivery
- ⚠ Heavier than most portable grills
- ⚠ Dimensions need planning before placement

How It Compares

- Compared to 2–3 burner grills it offers much larger surface
- Free-standing unit unlike built-in permanent grills
- Includes side burner which some basic models lack

Choose This If...

- ✓ You host frequent large outdoor meals
- ✓ You need multi-zone cooking with six burners
- ✓ You want cast-iron grates plus a side burner

Skip This If...

- ✗ You have limited outdoor space
- ✗ You want a compact lightweight portable grill
- ✗ You cannot or will not assemble a heavy unit
