#### MATERIAL

**Glazed ceramic material**

#### LIFT HEIGHT

**Raises grill about 1 inch**

#### DIMENSIONS

**2.4 by 6.4 by 1 in**

#### HEAT PROTECTION

**Heat insulating to protect floor**

#### INSTALLATION

**No assembly required built-in use**

#### PACKAGE CONTENTS

**Set of four ceramic feet**

## Who It Is For

---

-  Owners of Big Green Egg family grills
-  Users placing grill on combustible surfaces
-  People building built-in outdoor grill setups
-  Buyers wanting a green color match

## Who It Is Not For

---

-  Mini or Mini-Max Big Green Egg owners
-  Those needing adjustable height feet
-  People who prefer metal feet
-  Commercial kitchens requiring heavy-duty legs

## Trade Offs to Consider

---

-  Only raises grill about 1 inch
-  Fixed ceramic size no adjustability
-  Color aimed at Green Egg only
-  Discontinued by manufacturer so stock limited

## Users Say

---

### ● POSITIVES

- ✓ Color matches Green Egg finish
- ✓ Elevates grill for airflow and protection
- ✓ Simple no-assembly installation

### ● COMPLAINTS

- ⚠ Not compatible with Mini or Mini-Max
- ⚠ Limited availability due to discontinuation
- ⚠ Only offered in green color option

## How It Compares

---

- Vs rubber pads: ceramic adds heat insulation
- Vs adjustable legs: fixed one-inch lift
- Vs generic risers: color-matched Green Egg styling

## Choose This If...

---

- ✓ You own a Big Green Egg needing raised support
- ✓ You want a green color-matched ceramic base
- ✓ You prefer a no-assembly floor-protecting accessory

## Skip This If...

---

- × You own a Mini or Mini-Max model
- × You need adjustable or taller feet
- × You prefer metal or commercial-grade legs
