## Who It Is For

---

- ✓ Home bartenders who smoke single cocktails
- ✓ People wanting a countertop bar display
- ✓ Gift shoppers buying for whiskey lovers
- ✓ Hosts who make cocktails for small groups

## Who It Is Not For

---

- ✗ Commercial bars needing high-volume smoking
- ✗ Households restricting open flames
- ✗ Users wanting electric or battery operation
- ✗ People seeking full-size food smokers

## Trade Offs to Consider

---

- Torch requires separate butane fuel
- Designed for single-drink applications
- Uses open flame during operation
- Display barrel uses counter space

## Users Say

---

### ● POSITIVES

- ✓ Complete kit with torch and chips
- ✓ Attractive charred wood display barrel
- ✓ Average rating 4.5 out of 5

### ● COMPLAINTS

- ⚠ Torch sold without butane
- ⚠ Limited capacity for larger foods
- ⚠ Takes countertop space as display

## How It Compares

---

- Versus standalone torch includes barrel and chips
- Versus electric smoker made for drinks not bulk
- Versus basic chips adds presentation and control

## Choose This If...

---

- ✓ You want smoked single cocktails at home
- ✓ You're buying a ready giftable bar set
- ✓ You value wood-chip flavor customization

## Skip This If...

---

- × You need to smoke large food portions
- × You avoid open flames or butane fuel
- × You prefer electric or battery-powered smokers
