## Who It Is For

---

-  Owners of Classic Kamado Joe II
-  People wanting extra outdoor prep space
-  Buyers who prefer natural cedar finish
-  Those wanting a ready table with cover

## Who It Is Not For

---

-  Owners of grills heavier than 200 lb
-  People who need foldable portable tables
-  Buyers wanting stain resistant synthetic surfaces
-  Those needing indoor only furniture

## Trade Offs to Consider

---

-  Natural cedar requires occasional outdoor maintenance
-  Factory spar-urethane finish protects not stainproof
-  200 lb limit fits mid-size grills only
-  Nonfolding rectangular design occupies permanent space

## Users Say

---

### ● POSITIVES

- ✓ Includes protective table cover
- ✓ Simple and fast assembly
- ✓ Large work surface and storage

### ● COMPLAINTS

- ⚠ Not stain resistant
- ⚠ No folding or compact storage option
- ⚠ May not fit heavier grills above 200 lb

## How It Compares

---

- Versus metal carts cedar offers natural wood surface
- Versus stainless steel carts heavier traditional look and feel
- Versus folding tables fixed stable shelf and footprint

## Choose This If...

---

- ✓ You own a Classic Kamado Joe II
- ✓ You want extra prep and serving space
- ✓ You prefer natural cedar outdoor furniture
- ✓ You value a table that includes a cover

## Skip This If...

---

- ✗ You need a table for grills over 200 lb
- ✗ You require stainproof synthetic surfaces
- ✗ You need a foldable or compact table
- ✗ You prefer metal or stainless grill carts
