## Who It Is For

---

- ✓ Households grilling for family meals
- ✓ Patio or backyard home cooks
- ✓ Buyers who prefer propane convenience
- ✓ Shoppers wanting stainless steel surfaces

## Who It Is Not For

---

- ✗ Large events or commercial catering use
- ✗ Homeowners seeking built-in island installation
- ✗ Campers needing ultra-compact portable grills
- ✗ Buyers requiring smart app or electronic controls

## Trade Offs to Consider

---

- Large cooking area but heavier unit
- Stainless steel resists rust but needs cleaning
- Piezo ignition is simple no electronic backup

## Users Say

---

### ● POSITIVES

- ✓ Spacious 472 sq. in. fits family meals
- ✓ Quick push-and-turn piezo ignition
- ✓ Folding shelves and wheels aid storage

### ● COMPLAINTS

- ⚠ Assembly required at home
- ⚠ Some report fit or finish issues
- ⚠ No side burner or advanced extras

## How It Compares

---

- Vs portable single-burner: much larger cooking area
- Vs built-in premium grills: fewer high-end features
- Vs charcoal grills: faster startup cleaner fuel

## Choose This If...

---

- ✓ You need a mid-size propane family grill
- ✓ You want stainless steel exterior and shelves
- ✓ You prefer simple push-turn ignition

## Skip This If...

---

- × You host large parties or cater events
- × You want a built-in or island grill
- × You require side burners or app controls
