Includes ceramic feet for safety

Who It Is For

- ✓ Primo Oval JR 200 owners
- ✓ Outdoor cooks needing wood prep surface
- ✓ DIYers willing to finish wood

Who It Is Not For

- ✗ Buyers expecting factory-finished table
- ✗ Small-space users under 46-inch width
- ✗ Those needing lightweight portable stand

Trade Offs to Consider

- Requires buyer-applied finish
- Relatively heavy at 71 pounds
- Compatible only with Oval JR 200

How It Compares

- More prep surface than grill carts
- Less weather resistance than steel carts
- Lower cost but needs finishing

Choose This If...

- ✓ You own a Primo Oval JR 200
- ✓ You want natural cypress prep surface
- ✓ You plan to finish the wood yourself

✗ Skip This If...

- ✗ You need a factory-finished table
- ✗ You require lightweight portability
- ✗ You prefer metal or all-weather material
