-  Assembly takes about 30 to 45 minutes
-  Alloy steel needs regular care to resist rust

Users Say

● POSITIVES

- ✓ Portable and easy to disassemble for transport
- ✓ Large cooking area fits big cuts and turkeys
- ✓ Built-in thermometer and removable ash collector

● COMPLAINTS

- ⚠ Manual temperature control requires monitoring
- ⚠ Assembly required before first use
- ⚠ Material may need maintenance to prevent corrosion

How It Compares

- Vs kettle grill: more vertical smoking capacity
- Vs electric smoker: uses charcoal not plug-in power
- Vs pellet smoker: less automation more manual control

Choose This If...

- ✓ You want a portable charcoal vertical smoker
- ✓ You need to smoke large cuts or whole birds
- ✓ You prefer manual airflow and removable ash control
- ✓ You want a multi-function grill and smoker

Skip This If...
