## Who It Is Not For

---

- ✗ Large-scale commercial smoking needs
- ✗ Cooking large cuts or whole roasts
- ✗ Users wanting plug-in electric smokers
- ✗ People needing long continuous run time

## Trade Offs to Consider

---

- Battery power limits continuous runs
- Small box suitable for small foods
- Only apple and cherry chips included
- Requires regular cleaning of parts

## Users Say

---

### ● POSITIVES

- ✓ Comes with many accessories
- ✓ Easy to follow instructions included
- ✓ Sized for two cocktails

### ● COMPLAINTS

- ⚠ Battery life can be limited
- ⚠ Not intended for large meats
- ⚠ Only two wood flavors included

## How It Compares

---

- Complete kit versus lone smoking gun
- Wood box versus plastic cloche alternatives
- Battery powered versus plug-in electric smokers

## Choose This If...

---
