Who It Is For

- ✓ Owners of Traeger grills and accessories
- ✓ People preferring non-toxic cleaning products
- ✓ Users needing a ready-to-use grill spray
- ✓ Buyers who want biodegradable US-made cleaners

Who It Is Not For

- ✗ People who prefer scented cleaning products
- ✗ Those seeking an all-purpose household cleaner
- ✗ Commercial kitchens needing industrial bulk degreasers
- ✗ Buyers wanting concentrated formulas for dilution

Trade Offs to Consider

- Single 946ml bottle not bulk supply
- Formulated for grills not general surfaces
- Unscented formula does not mask odors
- Sealed packaging reduces leaks but adds waste

How It Compares

- No harmful chemicals versus many grill cleaners
- Made specifically for grills not general surfaces
- Consumer-sized 946ml bottle versus bulk industrial sizes

Choose This If...

- ✓ You own Traeger grills or accessories
- ✓ You want a non-toxic biodegradable cleaner
- ✓ You need a ready-to-use spray for grills
- ✓ You prefer products made in the United States

Skip This If...

- ✗ You want a scented cleaning product
- ✗ You need a single cleaner for whole house
- ✗ You require large commercial degreaser quantities
- ✗ You need a concentrated formula for dilution
