## Who It Is For

---

-  Owners of Kamado Joe Classic Joe
-  Users who prefer slide-out ash removal
-  People using a cast iron ash can
-  Home grillers comfortable with basic installation

## Who It Is Not For

---

-  Owners of other grill brands or models
-  Users needing dishwasher-safe components
-  Buyers wanting a universal multi-grill fit

## Trade Offs to Consider

---

-  Fits one grill model only
-  Not dishwasher safe requires hand cleaning
-  Needs correct placement to preserve airflow

## Users Say

---

### ● POSITIVES

- ✓ Precision fit for Classic Joe grills
- ✓ 304 stainless steel withstands high heat
- ✓ Slide mechanism simplifies ash removal

---

### ● COMPLAINTS

- ⚠ Not dishwasher safe
- ⚠ Best results require separate cast iron ash can

## How It Compares

---

- Versus stock setup: adds slide-out ash convenience
- Versus universal drawers: tailored Classic Joe fit
- Versus ash vacuums: manual emptying still required

## Choose This If...

---

- ✓ You want faster manual ash removal workflow
- ✓ You need a durable heat-resistant stainless drawer
- ✓ You plan to pair it with a cast iron ash can

## Skip This If...

---

- × You own a different grill brand or model
- × You require dishwasher-cleanable accessories
- × You need a universal fit for multiple grills
