- Assembly required before first use
- No integrated side burners or shelf

## Users Say

### ● POSITIVES

- ✓ Effective ash capture with One-Touch system
- ✓ Durable porcelain-enameled bowl retains heat
- ✓ Built-in lid thermometer for temperature readout

### ● COMPLAINTS

- ⚠ Charcoal requires extra prep and cleanup
- ⚠ Smaller cooking area for larger gatherings
- ⚠ Assembly required out of the box

## How It Compares

- Vs gas grills: charcoal-only fuel and slower startup
- Vs larger grills: smaller 22-inch cooking area
- Vs dedicated smokers: no dedicated smoking features

## Choose This If...

- ✓ You prioritize charcoal flavor in cooking
- ✓ You grill for family or small gatherings
- ✓ You want straightforward ash cleanup features

## Skip This If...
