Who It Is For

- ✓ Home bartenders making smoked cocktails
- ✓ Whiskey drinkers who want smoke infusion
- ✓ Gift buyers shopping for whiskey accessories
- ✓ Hosts wanting table-side smoke presentation

Who It Is Not For

- ✗ People who require included butane fuel
- ✗ Bars needing commercial smoking equipment
- ✗ Users needing continuous multihour runtime
- ✗ Buyers with glasses larger than 3.54in

Trade Offs to Consider

- Portable battery adds convenience but limits runtime
- Torch provided but butane not included
- Compact lid fits many glasses but limits size
- Electric fan speeds smoking but needs charging

Users Say

● POSITIVES

- ✓ Includes six distinct wood chip flavors
- ✓ Comes with torch recipes and accessories
- ✓ Compact handheld design for table-side use

● COMPLAINTS

- ⚠ Torch requires separate butane canisters
- ⚠ Battery runtime around two hours per charge
- ⚠ May not accommodate very large glassware

How It Compares

- Versus standalone torches this traps smoke over glass
- Smaller and more portable than countertop smokers
- Not a replacement for commercial smoking systems

Choose This If...

- ✓ You make smoked cocktails at home
- ✓ You want multiple wood flavors included
- ✓ You need a compact handheld smoker
- ✓ You are buying a whiskey gift set

Skip This If...

- ✗ You expect a torch with butane included
- ✗ You need continuous multihour commercial use
- ✗ Your glassware exceeds the 3.54in lid
- ✗ You prefer non-electric traditional smokers
